The Classic FC is a full service soccer club, serving youth soccer players for over 30 years in Albuquerque. The club supports some 400 players and 25 teams. The Classic FC Mission has always been simple; to provide a quality soccer experience for all levels of players with the primary program focus on player development in a cost-effective environment

CLUB PHILOSOPHY

The club strives to provide a cost-effective high quality program of soccer instruction and player development. Our coaches are carefully selected based on their soccer experience, knowledge, character, and dedication to youth sports. They have made a commitment for continued personal education in soccer and to provide a nurturing environment for all the players. Because we carefully screen our coaches, we do not hire a staff of club coaches. This approach allows us to charge club fees that are the lowest level in all Albuquerque and still provide an atmosphere which promotes excellence. Many of our teams choose to employ team trainers or professional coaches, based upon the needs of each particular team. Each team is managed as an independent operation and so, is free to determine a program, which will best develop their member players, with little club administrative direction.

Costs

Typical Classic FC participation costs for the player include a \$50.00 club fee (which in the most cost effective in Albuquerque) for a full-service organization. In addition, the average uniform fees range from \$80 to \$ 85 per player for two uniform sets respectively.
